FEEL THE WEST COAST VIBE. Beaches. Sunshine. Surfers. And Food!

A few years back, a couple of dudes from Ohio visited Southern California and returned with more than a few photos and souvenir T-shirts. They brought back a craving for the authentic taste of Baja and an inspiration to create their very own funky, laid-back surf shack.

With fresh ingredients and bold flavors in every bite, Baja West Coast Kitchen elevates simple food to awesome! It doesn't matter if you're super stoked for our signature brick oven pizzas, Surf City tacos, or our tasty rice bowls and salads — our SoCal-inspired flavor combos will hit you like the seventh wave.

It's the perfect fuel for an active lifestyle. You will soon be feelin' the California vibe, even if you're landlocked in the Midwest. **Now that's Baja West Coast Kitchen!**
